Ms. Craig called the meeting to order.  

1. Mr. Pagliarini made a motion for Biochemistry to guarantee matching funds of $300,000 for Josh Coon upon successful award of a P41 (or similar national) award to support a national facility and infrastructure for mass spectrometry. The intent of the matching funds is to support collaborations with Biochemistry faculty. The motion was seconded by Ms. Kimble. After discussion, the motion passed by a vote of 21 yes, 1 no.  

The meeting was adjourned.  

Respectfully submitted,
