

## Laura L. Kiessling – Professional Services

Member, Scientific Advisory Board, Scripps Research Institute - 2012-

Organizer, First Keystone Symposium on Chemical Biology - 2012

Member, NAS Committee on Glycoscience - 2011-2013

Member, UC-Berkeley Chemistry Visiting Committee - 2011

Member, Scientific Advisory Board of the Life Science Research Institute, Univ. MI - 2009

Member, Public Affairs Action Committee, ASBMB - 2009-2011

Member, Keystone Conferences Scientific Advisory Board - 2008-

Member, Harvard Department of Chemistry and Chemical Biology, Board of Visitors - 2008

Member, MIT Department of Chemistry, Visiting Committee - 2007-2011

Editor-In-Chief, *ACS Chemical Biology* - 2005-

Member, Editorial Board, *Annual Reviews of Biochemistry* - 2005

Member, Selection Committee, Alfred P. Sloan Foundation Fellowships - 2003-2009

Reviewer, Dreyfus Foundation Research Grants - 2002

Member, Editorial Board, *Organic & Biomolecular Chemistry* - 2002-2005

Representative, Division of Chemistry, American Association for the Advancement of Science - 2001-2004

Section Head, Faculty of 1000 - 2001-

Representative, Division of Chemistry, American Association for the Advancement of Science - 2001-2004

Director, Keck Center for Chemical Genomics, UW-Madison - 2001

Member, Committee on Summer Meetings, American Society for Cell Biology - 2001

Member, Editorial Board, *Accounts of Chemical Research* - 2001-2005

Member, Editorial Board, *The Journal of the American Chemical Society* - 2001-2008

Member, Editorial Board, *Carbohydrate Research* - 2001-2004

*Chair and Speaker*, Medical Glycobiology, Annual Society for Glycobiology Meeting - 2001

Member, Editorial Board, *Organic Reactions* - 2000-2005

Member, Chancellor Search Committee, UW-Madison - 2000

Visiting Committee, Lawrence Berkeley Laboratories - 2000

Chair and Speaker, Symposium on Chemical Biology, American Society for Cell Biology, San Francisco, CA - 2000

Chair and Organizer, NSF Workshop on Frontiers in Glycoscience - 2000

Chair, NIH Bioorganic and Natural Products Chemistry Study Section - 2000-2002

Scientific Advisory Board, *Promega, Inc* - 1999-2003

Selection Committee for Editor of *Journal of Organic Chemistry* - 1999

Editorial Board, *Chemistry & Biology* - 1997

Member, NIH Bioorganic and Natural Products Chemistry Study Section - 1997-00

Ad Hoc Review, *NIH Bioorganic and Natural Products Study Section* - 1997

Reviewer, *NSF Career Awards Program* - 1997

Ad Hoc Reviewer, *NSF Career Awards Program* - 1995-97

Reviewer, Biophysics Training Programs, *NIH* - 1995-97

Reviewer, Biotechnology Training Programs, *NIH* - 1995-97

Reviewer, Chemistry-Biology Interface Training Programs, *NIH* - 1994-97

Reviewer, Research Opportunities for Undergraduates Program, *NSF* - 1994
